

**JOB DESCRIPTION**

**Job Title:** MRI Radiographer – Senior 2 Full time/Part time

**Responsible to:** MRI Superintendent Radiographer

**Accountable to:** Matron / Chief Executive

**Overall objective:** To be professionally responsible for the care of patients and relatives while providing a high quality, efficient and effective MRI Service.

**Main duties and responsibilities**

1. Work under the direction of the MRI Superintendent Radiographer, ensuring that a high standard of imaging and patient care is carried out at all times.
2. Adhere to the “Safety Guidelines for Magnetic Resonance Imaging Equipment in Clinical Use ” v 4.3 issued by the MHRA Feb 2021 ), ensuring they are implemented by all MRI staff to provide a safe working environment for staff, patients and carers, especially with regards to safety while working in an environment that contains a strong magnetic field.
3. Be professionally responsible for all aspects of your own work and use judgement during the MRI examination to accurately differentiate between normal and pathological findings, adapting protocols when clinically appropriate.
4. Along with a Senior staff member and under the overall direction of the MRI Superintendent Radiographer be responsible for the efficient day to day operational management of the department and use of resources.
5. Ensure a “3” point identification (name, DOB and address) is performed on all patients attending for MRI, that the examination is justified, that all patients and carers perform a full safety questionnaire before entering the strong magnetic field, relevant clinical history is available and each examination is fully completed.
6. Input and maintain patient records on RIS / PACS in accordance with departmental policy.
7. Assist in the training and supervision of all staff in MRI, help identify training needs and assist with an effective training programme.
8. Assist with departmental audits and implement resulting outcomes as required. To assist with compiling and reviewing of operational policies as directed by the Superintendent Radiographer.
9. Assist with stock control.

10. Participate in a Quality Assurance programme and be responsible for the operational aspects of quality in MRI.
11. Take part in annual Performance Review process.
12. Participate in flexible working arrangements to include a shift Rota system, weekend working and Bank holidays if required.

**General Duties:**

1. Read, understand and adhere to all Ulster Independent Clinic policies and procedures.
2. Communicate effectively with all users of the service, being courteous and respectful and ensure confidentiality, at all times.
3. Actively participate and contribute to the continuous improvement of the service.
4. Attend all mandatory in-service training and lectures.
5. Comply with the Ulster Independent Equal Opportunities Policy at all times.
6. Carry out all duties & responsibilities in accordance with Health & Safety policies and statutory regulations.
7. Be responsible for own professional development and maintenance of knowledge and skills according to professional guidelines.
8. Adhere to and abide by professional code at all times.

***The above is not an exhaustive list of duties and should be regarded as providing guidelines in which the individual works. This job description is subject to review in light of changing circumstances and operational requirements.***
