Monitoring Questionnaire

We are Equal Opportunities Employer. We do not discriminate on grounds of religious or political opinion. We practice equality of opportunity in employment and select the best person for the job.

To demonstrate our commitment to equality of opportunity we need to monitor the community background of applicants for the appointment and our employees as required by the Fair Employment & Treatment (NI) Order 1998.

Please Answer Both Sections

Section A

Regardless of whether we practice religion, most of us in Northern Ireland are seen as either Catholic or Protestant. We are therefore asking you to indicate your community background by ticking the appropriate below:

I am a member of the Protestant Community

I am a member of the Roman Catholic Community

I am a member of neither the Protestant or Roman Catholic Community

Section B

I am Male

I Am Female

Section C

Date Of Birth

If you do not complete section A of this questionnaire we are encouraged to use the "residuary" method which means that we can make a determination on the basis of the personal information on file / application form.

Note it is a criminal offence under the legislation for a person to "give false" information in connection with the preparation of the monitoring form.
